To Our Members and Friends,

On behalf of the Chilean Consulate in Atlanta, ProChile, and the Chilean American Chamber of Commerce of the South, we are writing to you to request your help and support for the victims of the earthquake and tsunami that affected Chile this past Saturday, February 27, 2010.

Official reports have confirmed more than 700 casualties, over 2 million people who are now homeless, and a growing but unconfirmed number of people who are still missing. Help is needed to supply food, water, and to build temporary homes before winter sets in.

Please join us in the effort to support the victims of this tragedy. Your contributions will be sent directly to Chile in support of the victims of the earthquake and tsunami.

We greatly appreciate your support, prayers, and compassion for the victims of this catastrophic event. With your help, we can make a difference in their lives.

Sincerely yours,

Erika Monckeberg
